EASTER 3

St George's Day

10.30am Morning Worship with John

Readings: Acts 2:36-41 and Luke 24:13-35

St George, our Patron Saint

who isn't English

The English have a patron saint who isn't English, about whom next to nothing is known for sure, and who, just possibly, may not have existed at all. But that didn't stop St George being patriotically invoked in many battles, notably at Agincourt and in the Crusades, and of course it is his cross that adorns the flags of English football fans.

St George's Day presents a challenge and an opportunity. The challenge is to distance the message of his life from the militarism and triumphalism that can easily attach itself to anything connected to soldiers and fighting. The opportunity is to celebrate the ideal of the 'Christian soldier' - one who submits to discipline, sets out to obey God truly, does not avoid the inevitable battle with all that is unjust, wrong and hateful in our world, and marches alongside others fighting the same noble cause.

Discipline, obedience, courage, fellowship and loyalty - they're not the most popular virtues today, but that doesn't mean that they don't deserve our admiration.
